Cindy, just listened to your voice message as well. I'll ask Mary Hanley to push the meeting to Thursday or Friday. Are you staying in DC for the all-day meeting Thursday on fracking?

Bob S. is interested in hearing about the milestones for the development, review, and release of our report, the timing of the USGS report, and the schedule for the peer review. I do not think he is expecting a discussion of the results.

If you'd like to talk, I should be available on my cell at 3:45 or later.  
Fred

Fred,  
I just left you a voicemail message on your cell phone.  
The EC meeting will not be over until 2:30 (In Potomac Yard) which will mean Lek, Ramona you and me are all not available.  
Ramona will be involved with the MC until 4:30.

I will be in DC on Thursday.  
Please call me to discuss our options.

Thanks,  
Cindy
